

Pacific Coast Law School to Confer 14 Bachelor Degrees

Pacific Coast Law School of Long Beach will confer 14 Bachelor of Laws degrees at its 34th Commencement Exercises, Sunday evening, June 18, at the Lakewood Country Club.

The Commencement Speaker will be Superior Court Judge Charles A. Loring. He is a graduate of the Hastings Law School and was in the general practice of law in Los Angeles for 21 years immediately prior to his appointment to the Superior Court Bench by Governor Brown in 1959.

During his years of practice, he was chief trial counsel for the law firm headed by Lloyd Wright, past-president of the American Bar Association, and during this time he represented many celebrities including Charlie Chaplin, Amos 'n Andy, Charles Laughton, Edward Arnold, Maureen O'Hara, Howard Hughes.

OUTSTANDING CASE

one of his outstanding cases was the \$5,000,000 estate of Michael Francis O'Day involving 450 litigants, 50 attor-

neys, 12 times before the Appellate Courts, and 13 months before a jury. Judge Loring resides in Playa del Rey. He and his wife and five children are avid little league baseball fans. This last year, he received the Certificate of Merit as a distinguished alumnus from Redlands University.

The Faculty Speaker will be Paul D. Strader, who has been a member of the Law School faculty since 1953. He is a graduate of the Law School of Ohio State University and was appointed a

Judge in the U. S. Occupation Court in Germany in 1948 and then Assistant to the U.S. Chief Attorney in Nuremberg, Germany. He is a former Long Beach City Prosecutor and is currently engaged in the general practice of law in Long Beach.

DIPLOMA PRESENTATION

Dr. Carl H. Manson, Dean of the School, will present the diplomas.

fact that all of the members of its student-body are full time employed in daytime occupations while pursuing their legal education at evening classes. The average enrollment each year is 80. Some of the occupations represented are insurance adjusters, teachers, court attaches, bank employees, F.B.I. and other governmental agents. Nearly all of the students are married and have two children. Many attorneys in Southern California are graduates of the school.

Members of the current graduating class are: Harold Adams, Thomas Browne, William Garner, Joseph Genovese, Arthur Gottlieb, King Henry, Norman Higley, Robert Hood, Lloyd Myers, Raymond Schneider, Robert Sicker, Donald Songer, Richard St. John, Ernest Yates.

TIP TO MOTORISTS
Give yourself plenty of living space on the highways — tail-gating is a dangerous practice.

WINNER in the 1961 art show staged on the campus of El Camino College was student Olbert Houston, whose \$50 award in the fields of ceramics was made at the college's semi-annual awards banquet recently.

Early Demand Noted for Seats at Annual Shrine North-South Game

Huge early demand for tickets already accounts for more than 11,700 seats going to Southland high school football players and other youths for the 10th annual Shrine Pageant and North-South Football Game.

"Seats for youth are being bought in blocs of hundreds each day," said managing director Elmer P. Bromley at Shrine headquarters. These seats are purchased by Shriners and their friends and donated to youth groups.

This year's edition of the annual Shrine sport spectacular of color and sound will be held Wednesday evening, July 26, at the Coliseum.

To satisfy the youth seat requests, Director Bromley urges all Shriners and their friends who purchased tickets to either use them personally, or make the seats available immediately to Shrine headquarters.

FREE SEATS
Over the past several years the "youth seat" program has grown to major proportions, Bromley pointed out, with

Shrine Club members throughout Southern California providing free seats to multitudes of youngsters.

"We need every seat ticket available now," he added. Bromley said more than 4000 persons will take part in this year's huge pageant in the Coliseum.

Pageant Chairman B. Pat Groom said the annual Shrine show's stature as the biggest affair of its kind in the country attracts the cream of the Southland's parade performers.

"This year's spectacular pregame display will be the most colorful ever recorded," he predicted.

Proceeds from the annual show and football game support the Los Angeles Shriners Hospital for Crippled Children. It is only fund-raising effort of the year for Al Malakiah Shrine Temple and its 57 Shrine Clubs throughout the Southland.

All seats are reserved, and tickets may be obtained at Shrine Pageant and Football Headquarters, 655 W. Jefferson Blvd., Los Angeles 7.

Camino Presents Four Productions

Four dramatic productions will be presented by El Camino college during the coming six weeks of summer school, Harold Wennstrom, assistant director of instruction, announced today.

Slated for presentation are "June and the Paycock," "Visit to a Small Plant," "New Clothes for the Emperor," and "Bus Stop."

"June," an Irish drama, will be directed by Lucille Liberator, former El Camino student, who is presently working with the National Broadcasting Company. It will be staged on July 7 and 8 at 8:30 p.m.

Insulin by Pill
Clinical evidence that chlorpropamide, a drug taken by mouth, is "highly useful" in controlling mild diabetes when dosage is held to safe limits has been provided by two physicians from a study of 78 cases.

Some doubt was thrown on the safety of this oral substitute for insulin injections early in 1960 when reports of a high incidence of harmful side effects were published. Drs. Geoffrey Walker and Lourance W. Kinsell undertook an investigation with the cooperation of 78 patients at the Diabetic Clinic of the Highland - Alameda County Hospital in Oakland.

Diabetic control by the drug was prompt and effective in all but eight of the 78 patients participating in the Oakland study. Loss of appetite, nausea and abdominal discomfort were experienced by several, but were not troublesome. These disappeared within a few days of starting treatment in all but two patients, who had to be taken off the drug, the authors reported. One case of persistent rash and another of jaundice and rash disappeared when the patients were returned to insulin.

Only those patients who could be kept off insulin without their going into coma were selected for the study. These, all but seven of whom were over 40, had the mild, noninsulin dependent type of diabetes whose onset usually occurs during maturity. Chlorpropamide's ineffectiveness in the severe juvenile-type diabetes already had been well documented.

The second play, "Visit to a Small Plant," will be presented on July 14 and 15 with an 8:30 p.m. curtain time. The comedy is based upon the theory that a man from a small planet comes to earth to live. Mike Hector, who portrayed the role of "Billis" in the ECC production of "South Pacific" has last year will direct.

Four performances of the children's play, "New Clothes for the Emperor" will be given with showings set for July 21 at 7:30 p.m. and on July 22 at 10:30 a.m., 2:30 p.m. and 7:30 p.m. Another El Camino alumnae, Bonnie Flagg, will direct. Miss Flagg was active on the ECC stage; her performance as "Peter Pan" being one of her best-remembered. She is currently completing her student work at Long Beach State College.

Final play of the summer series will be "Bus Stop," directed by Joe D'Agosta, former Warrior student who is now casting director for extras and small parts at MGM. Scheduled for production on July 28 and 29, the play will start at 8:30 p.m.

Tickets for all shows will be placed on sale in the college student store on June 26. A charge of \$1 will be made for all but the children's play. Tickets for the latter will be 75 cents. No seats will be reserved.

Army Sgt. George L. Lee, son of Mr. and Mrs. James L. Lee, 3106 Spencer St., Torrance, recently participated with other personnel from the 8th Infantry Division's 8th Cavalry in a three-week tour of border patrol duty in the Fulda Gap near Hersfeld, Germany.

During this patrol duty members of the 8th Cavalry received on-the-job training in border operations from personnel from the 14th Armored Cavalry Regiment's Troop C. The 14th regularly patrols the gap, a 100-mile segment of the Iron Curtain which serves as the gateway to Berlin.

Sergeant Lee, a fire team leader in the 8th's Troop B which is regularly located in Sandhofen, entered the Army in 1947 and arrived overseas on this tour of duty last December.
